The Neil Group, New Zealand's leading land developer

Built from the ground up by West Auckland residential builder Ron Neil in the early 1950s, The Neil Group quickly expanded from residential construction roots into a full-scale land and property developer. Today, we're proudly one of New Zealand's leading developers, having built over 15,000 homes, developed many more sections and completed a large number of industrial and commercial builds.

With more than 70 years of experience across land acquisition, subdivision and development, we've built a solid reputation for delivering high-quality, on-time, on-budget projects that meet the highest construction standards. Our long-standing commitment to excellence has earned the trust of clients and stakeholders, with many of these partners choosing to work with us time and time again.

Frequently asked questions

What am I purchasing?

An affordable section in the popular and growing area of Richmond Heights. Close to schools, shopping, the lake, coastal walks and arterial routes to the North, South and East Coast.

Will the sections have services running to them?

Yes - each section will have water, sewerage, stormwater, electricity, telephone and broadband internet services to the boundary.

Is there a Geotech Report?

This will be made available to purchasers and will show that civil works have been completed to the standard in the report. If purchasers' foundation designers require more than that then further confirmation testing for specific sites would need to be completed by the purchasers.

How do I view a section?

Viewings can be made at anytime by appointment with your preferred agent, or look out for our open home times.

Turn off Richmond Avenue into Condor Avenue, follow Sales Office directional signs to the "Sales Hut" on Saddleback Drive.

When can I buy a section?

The sections are being sold through Tremain Real Estate on a fixed price basis and are available for purchase now.

What payment terms apply?

A 10% deposit is payable to the vendors' solicitor's trust account within 2 working days after the vendor accepts the offer. Settlement Terms will be ten working days after issuance of title. Builders terms are available. Please discuss these with your Sales Consultant.*

Can I have conditions in my offer?

Yes. Please discuss this with your salesperson.

Do I have time to sell my property and purchase a section?

Yes - please discuss with your salesperson what your options are.

Are there any restrictions on what I can build?

There are covenants on the development to ensure a good quality of housing and to protect your investment. Please refer to the Covenants and the Further Terms of Sale in your agreement and discuss with your salesperson and solicitor.

How long do I have to build?

There is no restriction on commencing construction however once you commence construction of your dwelling it must be completed in an 18-month period

* Your Sales Consultant will walk you through the process and assist with completing the necessary documents.

Land Covenant

Continued in additional Annexure Schedule, if required

Continuation of "Estate or Interest or Easement to be Created"

The Covenantor as registered owner of all that land contained in Lots 1-19, 37-70 (all inclusive) on DP 594432 subdivided that land into Lots ("the Lots") together with roads and reserves for the purposes of the sale of that land as residential Lots in a building estate.

The Covenantor for himself and his successors in title as registered owners of the Burdened Land described in Schedule A hereby covenants with and for the benefit of the Covenantee's and its successors in title and the registered owners of the Benefited Land described in the First Schedule for the purposes of creating a building scheme for the benefit of all the Benefited Land to take effect from the date herein and continuing thereafter until the first day of January 2045 after which date this covenant shall be of no further effect:

First Schedule

The Covenantor covenants as follows:

- 1 To erect only new dwelling/s or new ancillary building/s (which would normally be appurtenant to a residential dwelling) on any Lot.
- 2 To erect a new residential dwelling which shall have a gross floor area of not less than 140m² including closed in garage(s) (but excluding verandas patios and other buildings or structures).
- 3 To construct a minimum of one garage on the Lot which is to be attached to the dwelling and must be constructed in the same architectural style and using the same exterior cladding as the dwelling.
- 4 To construct a new dwelling/s and ancillary building/s on any Lot taking into regard the expected house design outcomes contained within the "Richmond Terrace, Tau po East Urban Lands Built Form Guidelines", (January 2023).

- 5 A minimum of 60% of the non-glazed exterior cladding of any Building should be constructed of any of the following materials: kiln fired or concrete brick, stone, masonry, sandstone, stucco, solid plaster or cement textured finish, weatherboard, composite aluminium panelling, waterproofed honed masonry, timber weatherboard or any other BRANZ approved exterior cladding proprietary system for outer walls.
- 6 All downpipes, conduits, water pipes or similar attached to the exterior walls on any dwelling or other building should be as closely colour matched as possible to the exterior cladding of the dwelling except copper and stainless steel down pipes which can be left in their natural colour.
- 7 Roofing materials should have a tile profile, or incorporate wood, fibre cement, glass fibre, bitumen or slate products by way of roofing shingles. Factory pre-finished metal roofing including mono pitched roofing (ie Coloursteel type or similar) may be used. All roofing will be non-reflective in a recessive colour.
- 8 Fences should be constructed using kiln fired or concrete brick, stucco textured finish, stone, brush or timber, colour steel, aluminium or such other new fencing propriety product Continued in additional Annexure Schedule, if required subject always to the terms of this covenant. Any fencing along front or side boundaries within 3 metres of a road boundary shall not exceed 1.2 metres in height above finished ground level except for Corner lots where fencing can be erected within 3 metres of the road boundary to a height of 1.8 metres for up to 50% of the total frontage of such lots.
- 9 To complete any building within 18 months of laying down the foundations for such building and within 18 months of laying down the foundations to complete all ancillary work such as fencing and landscaping and further will within that 18 month period construct in a proper and tradesman like manner a driveway or vehicle access in a permanent continuous surfacing of concrete, concrete block, brick paving, tar sealing or similar.
- 10 Not to permit the Lot to be occupied or used as a residence unless the buildings on the Lot have been substantially completed including driveways and landscaping in accordance with this covenant and the buildings meet the requirements of the local authority.
